

HIGH
PERFORMANCE
WALL
SYSTEMS

DUR-A-WALL HP

Perfect for areas that need constant cleaning:

- Operating Rooms
- ERs
- Patient Rooms
- Corridors
- Labs
- Clean Rooms
- Animal Holding Areas

Three wall systems designed to meet the durability and sanitary needs of the most demanding environments.

DUR-A-WALL HP

A two-component urethane wall system offering outstanding chemical resistance and durability – ideally suited for application on concrete, wood, drywall, cement board or block.

DUR-A-WALL HP Plus

A high build system offering the same features and benefits as Dur-A-Wall HP but with an added two-component epoxy build for rough surfaces.

DUR-A-WALL HPF

A high build system offering the same features and benefits as Dur-A-Wall HP Plus but with an integrated fiberglass mat for added strength. Specifically designed for sheetrock wall applications.
